Open to Work

CRYPTOCURRENCY TRADER · FOUNDER · CONTENT CREATOR

michal.szafron@yahoo.com · +48 730 747 002 · Kraków, Poland · kryptopit.com

SUMMARY

Passionate and results-driven professional with **16+ years in financial markets** — spanning institutional futures trading at OSTC Ltd and independent cryptocurrency operations since 2016. Founder of **KryptoPit.com**, a free crypto tax automation platform for the Polish market, integrated with 8 major exchanges. Content creator and educator (YouTube, X) with a growing community. Currently leveraging **AI automation tools** to sharpen research, trading decisions, and content workflows.

WORK EXPERIENCE

KryptoPit.com — Self-Employed

2025.01 - PRESENT

Founder & CEO

- Founded and developed KryptoPit.com — a free platform automating crypto tax calculations for the Polish market. Direct API & CSV integration: Bybit, Binance, Coinbase, Kraken, Revolut, Kanga, Zonda, Bitget + airdrops.
- Full product ownership: Python backend, architecture, UI/UX design, and ongoing feature roadmap.

Python Tax Automation API Integration Product Dev DeFi

Self-Employed

2016.09 - PRESENT

Cryptocurrency Trader

- Independent trading across spot, perpetual futures, and DeFi using advanced technical analysis, on-chain data and macro signals to identify high-probability setups.
- Full-cycle portfolio management: risk sizing, execution across major exchanges, strategy backtesting, and continuous performance optimization.
